

OZARK EDUCATION, INC.  
*presents*  
**SUMMER CLASSES GRADES 5-8**

Full Day Scholarships Available! Includes Lunch and Transportation if Needed!

Food-ology: Students will learn organic gardening techniques, study plants and insects in a science lab setting, learn how to cook and prepare fresh garden veggies, and bring home produce from the garden! 10:30-12:00

Video Production: Acting, Directing, and Videography are just a few of the skills your child will learn while increasing confidence, researching current events, and making new friends! 12:30-2:00

Computer Game Design: Computer programming and coding are valuable skills in today's economy. Your child will gain foundational knowledge and experience with computers while learning the fundamentals of game design. 2:30-4:00

Days: Tuesdays & Thursdays, June 25-Aug. 8

Times: 10:30 a.m. to 4:00 p.m.

Place: Jones Center Rm. 217, 922 E. Emma St., Springdale

Cost: No Charge for Scholarship Students. \$90 per class for individual classes.

Please call if you have further questions in regards to the program. The costs of this program are underwritten by the Walton Family Foundation.
